Dear Paul:

Once again you hit a home run with your presentations. You truly have a unique ability to make complex topics easy to understand for both the novice and advanced-practitioner alike. I could not have asked for more! I believe all attendees were left with a better understanding of how to improve their communication skills with clients, judges, and juries. I was particularly impressed with your ability to dramatically improve the skill levels of your workshop attendees in such a short period of time.

On behalf of the National Association of Criminal Defense Lawyers and the National College for DUI Defense, Inc., thank you for taking the time out of your busy schedule to share your knowledge with our members and help us all to become better DUI defense attorneys.

Thanking you again for your wonderful presentations, I remain

Very truly yours,

  
Steven Oberman
